KNOW YOUR MENTORS

PREM SANDESH

With eight years of experience in price action trading and a specialization in swing trades, I've developed a deep understanding of market dynamics. My passion is to share insights and empower aspiring traders with the knowledge and skills needed for confident and profitable market navigation.

PRABHASH BANSAL

Coming from a middle-class background, I value determination and relentless pursuit of success. Specializing in index options trading, I thrive in fast-paced markets, using strategic insights to maximize returns. Join me at Stock Archery, where I empower aspiring traders with practical knowledge and proven strategies for success.

KUMAR ANKIT

Hello People. I am Kumar Ankit your mentor (Certified Researcher, Trader and Financial Advisor) having market experience close to 10 years. My experience says that mastering one setup is enough for a person to become successful in stock market. I will make sure to help you find that one setup. See you soon :)
